MATERIALS

At **Kids+aRt** we only use tools and materials easy to handle which are safe for children. They are selected in order to improve children's creativity in a versatile and funny way.

There are four types:

- LANGUAGE TOOLS
- ARTS & CRAFTS
- DRAMA
- LIBRARY

BASIC NEEDS

Kids+aRt brings all materials. We have only a few basic needs we expect the school contribute with:

- A MULTI-PURPOSE ROOM - A big room with windows which gets natural sunlight. It must have tables and chairs and an empty space where we can dance, play and rehearse our scenes. There should be washing facilities in or close to the room.

In case you contract Full Academic Year Workshop, it is essential to have available:

- A LOCKED CUPBOARD - A multi-purpose storage cabinet where we could keep our materials as well as children's artistic projects.
- A MUSIC PLAYER

At **Kids+aRt** children don't need to bring any material. They just need:

- COMFORTABLE CLOTHES
- AN APRON/ AN OLD AND BIG T-SHIRT
- WET TOWELS/ OTHER TOILETRIES
